### Testimonials

Don't just take our word for it, hear what our customers are saying...

“Excellent Service ! Had a large sewer back -up Thursday night, call Wright's at 8am Friday morning, and they were at my home by 9:30am to take a look. Barry was very knowledgeable, and provided me with several options. In the end it turned into a home owners claim. Wright's completed the clean up, and worked with my Insurance adjuster to make sure everything was done correctly. Wright's also did the remodel portion which was extensive. Could not ask for better communication, and attention to detail from the entire staff! Thank you Barry, Brian, and Marissa for all your help and patience.” - Erik P.

“Professional, thorough, and helpful. Best of all, they dealt directly with my difficult insurance company and their adjusters. The house is now beautiful, the rent went up, and the new tenants are very happy.” - Kris N.

“Very happy with the job Wright Restoration did cleaning our air ducts. Having done several construction projects on the house I knew they would be full of all manner of debris. The guys from Wright were friendly and hard working and did a very thorough job. I really appreciated the before and after photos they sent me afterwards. I highly recommend Wright!” - Erin M.
