Customer Quote

"Wright was Amazing to work with. Our project started out as one thing and quickly morphed into something a more complicated. Wright explained options, answered questions, and performed the work at an impressive pace."

-Elise H.

Reconstruction Services

RELIABLE | HIGH QUALITY | HONESTY | TRUSTWORTHY

Wright Restoration Services Inc. provides construction services for commercial and residential projects. We are your one stop source for mitigation and reconstruction services. We also recognize that repairing or rebuilding structurally damaged property as a result of water, fire, storm, or mold requires experts trained to address your project and you can be rest assured that we have a team of expert technicians ready to help you.

Our Reconstruction Services Includes

- Board up damaged areas in order to secure the property and prevent further damage.
- Expert project planning with you to be certain that we meet and exceed reconstruction requirements. This includes permit acquisition and working with building inspectors.
- Protect contents with drop cloths to be sure your personal belongings are not damaged.
- Demolition and debris disposal along with making sure the job site always remains safe and clean.
- Highly efficient project management and coordination to ensure we meet your needs.
- Carefully inspect everything we touch and make sure building standards and codes are met.

Wright Restoration Services Inc. is licensed, bonded, and insured General Contractor. We are an IICRC Certified (Institute of Inspection, Cleaning and Restoration Certification) company and our technicians have decades of experience and If you are looking for a highly rated reconstruction services contractor, please call us now at 610-HELP-NOW and one of our team members will assist you further.
